

This is UtaoRL (me)

Thank you for picking up this
book.

The content is fluffy.
A Negitono book. (Probably)

Please enjoy.

SCHOOL PARODIES 'MUST HAVE'

I'm the Master

Hello there~!

Thank you for reading until this point.

I discovered Vocaloid 2 years ago.
It was love at first sight with Megitono.

This time, I decided to publish a book myself and it must
be about Megitono first and foremost...
And so, this book was made possible.

I hope you like it even just a little.

Let's meet again sometime, somewhere.
